The image shows a screenshot of the My Big Campus website for parents. The main page has a blue header with the logo and the text "for Parents". Below the header, there is a brick wall background with the text "A safe social-learning platform for your students." and "A 21st-century communication tool for you." To the right, there is a "Sign in" form with fields for "Email" and "Password", a "Login" button, and a link for "Forgot your password?". A callout box, which is a smaller version of the login form, is overlaid on the main page. A hand cursor is pointing to the "Are you a parent? Login here" link in the callout box. An arrow points from the callout box to the "Sign in" form on the main page.
