

1st Grade Summer R.O.C.K.S. (Reviewing Online Content K-12 Standards)

1st Graders **ROCK!**

Use Moodle over the summer to review kindergarten skills while getting a jump start on a fantastic 1st grade year!

*It is recommended for incoming 1st Graders to have **parent support** while participating in the program.*

Here's How!

- 1) Login To Moodle
- 2) Find My Courses in the Navigation Box
- 3) Click on your Summer ROCKS course
- 4) Regularly visit the site for new games, websites, activities, and more for math, reading, and language arts! Each month new material will be added so check back often.
- 5) Have fun with it! The more you use it, the better your start to next year will be!
